From the President
To the University Community—

We at Penn State are committed to providing a safe campus environment, and we ask that everyone takes ownership of this goal. Over the years and in myriad ways, Penn State has undertaken many important institutional efforts to address safety issues, including this publication. I urge you to review the information about campus safety measures, reporting crimes and other emergencies, as well as the procedures and policies designed to protect our University community. We have no greater priority than the safety of our students, faculty, staff, and visitors to our campuses, but a truly safe campus can only be achieved through the cooperation of everyone. Thank you for attention to this very important mission.

Eric J. Barron
President

From the Director of Security
To the University Community—

On behalf of the members of the Department of Security, I want to thank you for your interest in our annual publication “Policies, Safety & U.” We publish this report because it contains valuable information for our campus community. We also publish the report to comply with the important provisions of the Clery Act. Campus safety and security and compliance with the Clery Act should be a part of everyone’s responsibility at Penn State. We encourage you to review the information we have made available to you in this brochure. You will find information about our organization, including descriptions of certain services that we provide. You will also become familiar with our strong commitment to victims of crimes and the specific extensive services we make available to crime victims. Lastly, you will find important information about security policies and procedures at Penn State Hershey, crime data, and crime prevention information. We join President Barron in the commitment to foster a secure and supportive environment at Penn State. We are proud to be an integral part of Penn State’s tradition of excellence. Campus safety and security is a collaborative effort at Penn State. We partner with the many Departments at the University that have a critical role in fostering campus safety, including the Division of Student Affairs, the Department of Safety, and other University offices. It has always been our goal to provide the highest quality of public safety services to the University community and we are honored to collaborate with the entire Penn State community. The men and women of the Department of Security are committed to making the Penn State campus a safe place in which to live, work, and study.

Scott R. Sutherland
Director of Security, Penn State Hershey

Accessibility to Information and Non-Discrimination Policy
The University is committed to equal access to programs, facilities, admission, and employment for all persons. It is the policy of the University to maintain an environment free of harassment and free of discrimination against any person because of age, race, color, ancestry, national origin, religion, creed, service in the uniformed services (as defined in state and federal law), veteran status, sex, sexual orientation, marital or family status, pregnancy, pregnancy-related conditions, physical or mental disability, gender, perceived gender, gender identity, genetic information, or political ideas. Discriminatory conduct and harassment, as well as sexual misconduct and relationship violence, violates the dignity of individuals, impedes the realization of the University’s educational mission, and will not be tolerated. Direct all inquiries regarding the nondiscrimination policy to Dr. Kenneth Lehman III, Vice Provost for Affirmative Action, Affirmative Action Office, The Pennsylvania State University, 328 Boucke Building, University Park, PA 16802-5901; Email: kf2@psu.edu; Tel 814-863-0471.
Annual Security Report

PREPARATION OF THE ANNUAL SECURITY REPORT AND DISCLOSURE OF CRIME STATISTICS

The Department of Security prepares this report to comply with the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act using information maintained by the Department, information provided by other University offices such as Student Affairs, Residence Life, Office of Student Conduct, Campus Security Authorities, and information provided by local law enforcement agencies surrounding the campus. Each of these offices provides updated policy information and crime data.

This report provides statistics for the previous three years concerning reported crimes that occurred on campus, in certain off-campus buildings or property owned, leased, or controlled by Penn State University. This report also includes institutional policies concerning campus security, such as policies regarding sexual assault, alcohol, and other drugs.

The University distributes a notice of the availability of this Annual Security Report and Annual Fire Safety Report by October 1 of each year to every member of the University community. Anyone, including prospective students and employees, may obtain a paper copy of this report by contacting the Department of Security at 717-531-8711 or by visiting www.police.psu.edu/cleryact and clicking on “College of Medicine.”

ABOUT THE DEPARTMENT OF POLICE AND SAFETY

Role, Authority, and Training

The Department of Security is headed by a Director of Security with a staff of twenty-three non-sworn, unarmed officers who provide service twenty-four hours a day, 365 days a year. The security officers do not have arrest authority. The department report to the Chief Administrative Officer. All officers are required to have a high school diploma; two years or more of security experience; and receive yearly in-service training each year concentrating on annual safety training, radiation safety training, first responder training, and infection control training. Upon hiring, officers receive eighty hours of orientation and field training, where they are trained in numerous vocations, including verbal and physical de-escalation techniques to deal with violent patients.

Safety, Our Number One Priority

The University takes great pride in the community at Penn State Hershey and has many advantages for students, faculty, and staff. This community is a great place to live, learn, work, and study, however, this does not mean that the campus community is immune from problems. With that in mind, Penn State has taken progressive measures to create and maintain a safe environment on campus.

Though the University is progressive with its policies, programs, and education, it is up to each of us to live with a sense of awareness and use reasonable judgment when living, working, or visiting on campus.

Working Relationship with Local, State, and Federal Law Enforcement Agencies

The Department of Security maintains a cooperative relationship with the Pennsylvania State Police, the Derry Township Police, and surrounding police agencies. Security officers investigate minor criminal incidents, with all serious criminal incidents being referred to the Derry Township Police for investigation. The College of Medicine encourages all victims of crime to report the incident to a Department of Security, the Office of Student Affairs or to the Derry Township Police.

The Penn State Hershey Department of Security does not participate in any Intermunicipal Mutual Aid Agreements. The department has interoperable radio communications with Dauphin County Communications Center for emergency use. If the Security Department learns of criminal activity involving students, it will provide that information to the appropriate external law enforcement agency and forward information about the situation to the Office of Student Conduct, as appropriate.

Crimes Involving Student Organizations at Off-Campus Locations

Penn State Hershey relies on its close working relationships with local law enforcement agencies to receive information about incidents involving Penn State students and recognized student organizations, on and off campus. All crime occurring on or near campus will be investigated by local law enforcement. If the Security Department learns of criminal activity involving students or student organizations, it will provide that information to the appropriate external law enforcement agency and forward information about the situation to the Office of Student Conduct, as appropriate.

The University requires all recognized student organizations to abide by federal, state, and local laws, and University regulations. The University may become involved in the off-campus conduct of recognized student organizations when such conduct is determined to affect a Substantial University Interest (as defined in the University Off-Campus Misconduct Policy at http://studentaffairs.psu.edu/conduct/policies/offcampus.shtml.)
REPORTING CRIMES AND OTHER EMERGENCIES

The University has a number of ways for campus community members and visitors to report crimes, serious incidents, and other emergencies to law enforcement and to appropriate University officials. Regardless of how and where you decide to report these incidents, it is critical for the safety of the entire Penn State Hershey community that you immediately and accurately report all incidents so that the Department of Security can investigate the situation and determine if follow-up actions are required, including issuing a Crime Alert or emergency notification.

Voluntary, Confidential Reporting

If crimes are never reported, little can be done to help other members of the community from also being victims. We encourage University community members to report crimes promptly and to participate in and support crime prevention efforts. We also encourage University community members to report crimes when the victim is unable to make the report. The University community will be much safer when all community members participate in safety and security initiatives.

If you are the victim of a crime or want to report a crime you are aware of, but do not want to pursue action within the University or criminal justice system, we ask that you consider filing a voluntary, confidential report. Depending upon the circumstances of the crime you are reporting, you may be able file a report while maintaining your confidentiality. The purpose of a confidential report is to comply with your wish to keep your personally identifying information confidential, while taking steps to ensure your safety and the safety of others. The confidential reports allow the University to compile accurate records on the number and types of incidents occurring on campus. Reports filed in this manner are counted and disclosed in the Annual Security Report and Annual Fire Safety Report. In limited circumstances, the department may not be able to assure confidentiality and will inform you in those cases.

Anyone may call the Department of Security at 717-531-8711 to report concerning information. Callers may remain anonymous.

Reporting to Department of Security

We encourage all members of the University community to report all crimes and other emergencies to Department of Security in a timely manner. The Department of Security maintains a dispatch center that is available in person, or by phone at 717-531-8711, twenty-four hours a day just inside the Emergency Department entrance, room H1486A. The Security Administration Office is located at the Eastmoor Building, 2nd Floor. Although many resources are available, Department of Security should be notified of any crime, whether or not an investigation continues, to assure the University can assess any and all security concerns and inform the community if there is a significant threat to the University community.

Emergency Phones

The University has installed sixty-nine emergency phones in and around the Penn State Hershey and the Hershey Medicine Center campus. Phones are located throughout the parking lots and parking garages, as well as in remote areas of various campus buildings. Emergency phones are also located at University Manor East Student Housing Complex, there are three emergency phones placed on data sheds along the center walk way. At University Manor West, the emergency phone is installed just outside the laundry entrance door. Emergency phones provide direct voice communications to the Security Department Dispatch Center.

Anonymously

If you are interested in reporting a crime anonymously, you can utilize the University Police's online crime reporting website, which can be accessed at http://www.police.psu.edu/psu-police/report-crime.cfm. It is our policy to attempt not to trace the origin of the person who submits this form, unless such is deemed necessary for public safety. You can also submit tips through Pennsylvania Crime Stoppers at 1-800-4-PA-TIPS or via the website.

Reporting to Other Campus Security Authorities

While the University prefers that community members promptly report all crimes and other emergencies directly to the Department of Security at 717-531-8711 or 911, we also recognize that some may prefer to report to other individuals or University offices. The Clery Act recognizes certain University officials and offices as “Campus Security Authorities” (CSA). The act defines these individuals, among other individuals, as “An official of an institution who has significant responsibility for student and campus activities, including, but not limited to, student housing, student discipline, and campus judicial proceedings. An official is defined as a person who has the authority and the duty to take action or respond to particular issues on behalf of the institution.”
While the University has identified a number of CSA’s at Hershey, we officially designate the following offices as places where campus community members should report crimes:

Pastoral and Professional Mental Health Counselors
According to the Clery Act, pastoral and professional mental health counselors who are appropriately credentialed and hired by Penn State to serve in a counseling role are not considered Campus Security Authorities when they are acting in the counseling role. As a matter of policy, the University encourages pastoral and professional mental health counselors to notify those whom they are counseling of the voluntary, confidential reporting options available to them.

TIMELY WARNING REPORTS
In an effort to provide timely notice to the campus community in the event of a Clery Act crime that may pose a serious or ongoing threat to members of the community, the University Police issues “Timely Warnings.” The University may issue a Timely Warning for the following crimes: arson; aggravated assault; criminal homicide; domestic violence; dating violence; robbery; burglary; sexual assault; hate crimes; and stalking. The University may also issue a Timely Warning for alcohol, drug, and weapon arrests or referrals that may cause a continuing threat to the community. University Police will distribute these warnings through a variety of ways, including but not limited to posters, emails, and media. The University also has the ability to send text message alerts to those who register their cell phone numbers. The text messaging can be a very effective way to send important information to the campus community.

The purpose of a Timely Warning is to notify the campus community of the incident and to provide information that may enable the community to take steps to protect themselves from similar incidents. The University will issue Timely Warnings whenever the following criteria are met: (1) a crime is reported; (2) the perpetrator has not been apprehended; and (3) there is a substantial risk to the safety of other members of the campus community because of this crime.

At Penn State Hershey, the Director of Security will generally make the determination, in consultation with other University offices, if a Timely Warning is required. For incidents involving off-campus crimes, the University may issue a Timely Warning if the crime occurred in a location used and frequented by the University population.

EMERGENCY RESPONSE AND EVACUATION PROCEDURES

Emergency Management at Penn State University
The Office of Emergency Management assists departments and campuses with developing, maintaining, and implementing emergency operations plans, developing and conducting exercises, hazard and risk education, and building partnerships with external response agencies. The Office of Emergency Management is responsible for assisting with and coordinating the University’s overarching mitigation, preparedness, response, and recovery programs.

Each campus within the Penn State University system maintains an emergency management program. Within the context of these programs, each campus develops and distributes emergency response procedures to students and employees. These procedures are maintained and distributed in a variety of ways. Some campuses post the information in hallways and classrooms; others have this information available on their website. Pamphlets and brochures with emergency response information are available at all locations through the campus’s security or police department.

Drills, Exercises, and Training
To ensure the campus’s emergency management plans remain current and actionable, the campuses conduct at least one exercise annually. These exercises include, but are not limited to: tabletops, drills, functional, or full-scale. The campuses conduct after-action reviews of all emergency management exercises. The Office of Emergency Management works with each campus location to develop exercises scenarios and schedules and coordinates these events with local, state, and federal response agencies as well as stakeholders.

In conjunction with at least one emergency management exercise each year, the campus will notify the appropriate campus community of the exercise and remind the community of the University’s PSUAlert system and emergency response procedures.

Emergency Notification
Penn State University is committed to ensuring the campus community receives timely, accurate, and useful information in the event of a significant emergency or dangerous situation on campus or in the local area that poses an immediate threat to the health and safety of campus community members. The Pennsylvania State University uses the emergency notification system RAVE to provide alerts via PSUAlert. PSUAlert is an emergency notification service available to students, faculty and staff. PSUAlert is a closed, opt-out system. PSUAlert can be used to send emergency messages within minutes of the occurrence of an incident. Alerts
need to notify additional segments of the campus population. Authorities will continually evaluate the situation and assess the situation (i.e., the building, adjacent buildings, or surrounding area) campus community members in the immediate area of the dangerous condition that may compromise efforts is no longer present, the campus will issue the emergency notification to the campus community without delay.

Confirming the Existence of a Significant Emergency or Dangerous Situation and Initiating the Emergency Notification System:
The Department of Police and Public Safety and/or other campus Institutional Officials may become aware of a critical incident or other emergency situation that potentially affects the health and/or safety of the campus community. Generally, Institutional Officials become aware of these situations when they are reported to the campus police or security department or directly to an Institutional Official.

Once first responders confirm that there is, in fact, an emergency or dangerous situation that poses an immediate threat to the health or safety of some or all members of the campus community, first responders will notify supervisors in the Department of Police and Public Safety or other Institutional Official to issue an emergency notification.

The campus’s authorized representatives will immediately initiate all or some portions of the campuses Emergency Notification Annex. If, in the professional judgment of first responders, issuing a notification potentially compromises efforts to assist a victim or to contain, respond to, or otherwise mitigate the emergency, the campus may elect to delay issuing an emergency notification. As soon as the condition that may compromise efforts is no longer present, the campus will issue the emergency notification to the campus community without delay.

Determining the Appropriate Segment or Segments of the Campus Community to Receive an Emergency Notification:
Campus and/or local first responders on the scene of a critical incident or dangerous situation will assist those preparing the emergency notification with determining what segment or segments of the campus community should receive the notification. Generally, campus community members in the immediate area of the dangerous situation (i.e., the building, adjacent buildings, or surrounding area) will receive the emergency notification first. The responsible campus authorities will continually evaluate the situation and assess the need to notify additional segments of the campus population.

Determining the Contents of the Emergency Notification:
Speed and accuracy of the information are of utmost importance in issuing emergency notifications. To expedite this process and ensure each message contains essential information, the mass notification system contains pre-scripted templates for the most probable or highest impact emergencies based on a campus’: Hazard Vulnerability Analysis (HVA). These messages identify the situation, allow for input of the location, and identify the immediate protective action that should be taken. The individual authorizing the message will select the most appropriate template. In those cases where there are no predetermined templates in the system, the individual may use the “custom” template to craft a specific message. The goal is to ensure people are aware of the situation and they know the steps to take to stay safe.

Procedures Used to Notify the Campus Community:
In the event of a situation that poses an immediate threat to members of the campus community, the campus has various systems in place for communicating information quickly. Some or all of these methods of communication may be activated in the event of an emergency. These methods of communications include the mass notification system PSUAlert, which may include: SMS, e-mail, voice, RSS, Twitter, and Facebook. We may also use verbal announcements within buildings, public address systems, fire alarms, and, posting to websites as described in the Emergency Notification Annex.

Procedures for Disseminating Emergency Information to the Larger Community (i.e., individuals and organizations outside the campus community):
If the campus activates its emergency notification annex in response to a situation that poses an immediate threat to members of the campus community, the appropriate offices at the campus will notify the larger community about the situation and steps the campus has taken to address the emergency. Primarily, campus communicators/news and media relations is responsible for crisis communications and for updating notices on Facebook, Twitter, and other social networking platforms and for maintaining communications with news outlets, distribution of press releases, and scheduling of press conferences.

Enrolling in the University’s Mass Notification System PSUAlert:
We encourage employees and students of the campus community to enroll in PSUAlert. All employees and students with an access account and psu.edu e-mail automatically have their psu.edu e-mail enrolled in the system. They are encouraged to visit the PSUAlert portal at http://psualert.psu.edu and add phone numbers and additional e-mails. Members of the larger community are encouraged to follow us on Twitter, Facebook, or our websites.
SECURITY OF AND ACCESS TO PENN STATE HERSHEY FACILITIES
At Penn State Hershey and the Hershey Medical Center campus, academic buildings generally open 6:00 a.m. until 6:30 p.m., Monday through Friday. The University Fitness Center opens at 5:30 a.m. at 9:00 p.m. Administrative buildings have a wide variety of openings and closing times with the hospital open twenty-four hours a day. Hospital access is controlled by security systems and/or security personnel at major entrances and by patrolling security officers throughout the facility. Access to individual classrooms and laboratories is limited to those enrolled in the courses meeting there. Likewise, access to most programs is limited to those enrolled in the program or otherwise authorized access.

Special Considerations for Residence Hall Access
Penn State Hershey maintains the University Manor Housing Complex for students and employees. Doors are equipped with a dead-bolt latch, and lockset core that are individually opened and closed by owner key. When a door is malfunctioning, personnel are summoned for repairs. At the time apartment keys are issued, tenants are given University Manor parking regulations, telephone installation and dialing instructions, and fire-protection system instructions. Emergency instructions are displayed in each apartment detailing the use of the fire-alarm system and the fire extinguisher.

It is the resident’s responsibility to ensure that his/her guests are aware of the University and residence hall policies. Guests are not provided with room keys or door access cards. It is the responsibility of residents, and housing staff to challenge or report individuals who cannot be identified as residents or the guests of residents. Solicitation is not allowed and visitors are by tenant invitation. Security Department personnel also conduct regular checks of residence hall areas. When the Security Department receives a report of an unescorted person, an officer is dispatched to identify that person.

No special security procedure has been adopted for housing students during low-occupancy periods such as holidays and vacations. Tenants who have lost their keys or have locked themselves out must go to the housing office during normal work hours to sign for a loaner key. If the tenant does not find his or her key within seven days, the lock is replaced and new keys are issued. The tenant is charged for the replacement cost. During off hours, if a tenant has lost his or her key or is accidentally locked out, the tenant must contact a security officer to unlock the door. The tenant must produce proper identification, and the officer will confirm the identity of the tenant with the dispatcher, who has a current list of tenants in the complex.

Additional information regarding housing at Penn State Hershey is available at: http://www.pennstatehershey.org/web/housing/home/services.

Security Considerations for the Maintenance of Campus Facilities
Penn State University is committed to campus safety and security. Identification badges are issued to all students, faculty, staff, and affiliates during the orientation process by the Security Department. The identification badges are required to be worn in all facilities of the Medical Center. Security officers, as well as faculty and staff, will challenge unidentified and potentially unauthorized persons in these facilities. Unidentified and unauthorized persons will be asked to leave and will be escorted by Security from the premises.

The identification badges may be used for authorized access at several main entrances to the Medical Center and the College of Medicine. The badges may not be modified or abused in any manner and a lost badge must be immediately reported to Security.

At Penn State Hershey, locks, landscaping, and outdoor lighting are designed for safety and security. Sidewalks are designed to provide well-traveled, lighted routes from parking areas to buildings and from building to building. Groundskeeping personnel trim shrubs from sidewalks, walkways, and building entrances to provide a well-lighted route to buildings. All campus walkways are inspected quarterly to ensure adequate lighting. Burned-out lights are replaced promptly.

We encourage community members to promptly report any security concern, including concerns about locking mechanisms, lighting, or landscaping to the Security Department at 717-531-8711.

Security escorts are provided for persons who request them, especially during hours of darkness. A radio loaner program is also available whereby persons may borrow a hand-held radio that is tuned to the Security frequency while walking on campus after dark.

Penn State Milton S. Hershey Medical Center and the College of Medicine is a tobacco-free organization. No smoking or use of tobacco products of any kind is permitted in our buildings, inside vehicles, or anywhere on the grounds.

PENN STATE’S RESPONSE TO DOMESTIC VIOLENCE, DATING VIOLENCE, SEXUAL ASSAULT, AND STALKING
The Pennsylvania State University does not discriminate on the basis of sex in its educational programs and does not tolerate sexual harassment or sexual violence, which is a type of sex discrimination. Other acts can also be forms of sex-based discrimination and are also prohibited whether gender based or not and include dating violence, domestic violence, and stalking. As a result, The Pennsylvania State University issues this statement of policy to inform the community of our comprehensive plan addressing sexual misconduct, educational programs, and procedures that address sexual assault, domestic violence, dating violence, and stalking. Whether the incident occurs on or off campus, and how these events are reported to a University official. In this context, The Pennsylvania State University prohibits the offenses of domestic violence, dating violence, sexual assault, and stalking, and reaffirms its commitment to maintaining a campus environment that emphasizes the dignity and worth of all members of the University community.

Our Commitment to Addressing Sexual Assault/ Rape, Domestic Violence, Dating Violence, and Stalking
The University does not tolerate sexual misconduct or abuse, such as sexual assault, rape, or any other forms of nonconsensual sexual activity. Sexual misconduct in any form violates the Student Code of Conduct, University policies (http://guru.psu.edu/policies/AD85.html), and may violate federal and state laws. Violations are subject to disciplinary sanctions through the Office of Student Conduct and/or those outlined in applicable University policies (please refer to Policy AD85 Discrimination, Harassment, Sexual Harassment and Related Inappropriate Conduct). Please visit http://studentaffairs.psu.edu/womenscenter/awareness/rapeandassault.shtml to review procedures, policies, and protocols for reporting and addressing allegations of student sexual miscon-
What is Consent?
Consent must be informed, freely given and mutual. If coercion, intimidation, threats or physical force are used there is no consent. If a person is mentally or physically incapacitated or impaired so that such person cannot understand the fact, nature or extent of the sexual situation, there is no consent: this includes impairment or incapacitation due to alcohol or drug consumption, or being asleep or unconscious. Inducement of incapacitation of another with the intent to affect the ability of an individual to consent or refuse to consent to sexual contact almost always, if not always, negates consent. Silence does not necessarily constitute consent. Whether a person has taken advantage of a position of influence over an alleged victim may be a factor in determining consent.

Defining Sexual Assault/Rape, Domestic Violence, Dating Violence, and Stalking

Sexual Assault: Sexual assault occurs when a person engages in sexual intercourse or deviate sexual intercourse with a complainant without the victim's effective consent.

Rape: Is penetration, no matter how slight, of the vagina or anus with any body part or object, or oral penetration by a sex organ of another person, without the consent of the victim. Rape also occurs when a person engages in sexual intercourse with a person by forcible compulsion or the threat of forcible compulsion that would prevent resistance by a person of reasonable resolution, or when a person is unconscious or where the person knows that the victim is unaware that the act is occurring.

Domestic Violence: Includes felony or misdemeanor crimes of violence committed by a current or former spouse of the victim, by a person with whom the victim shares a child in common, by a person cohabitating with or has cohabitated with the victim as a spouse, or by any other person against an adult or youth victim who is protected from that person's acts under the domestic or family violence laws of the jurisdiction. Domestic Violence is currently not specifically defined by Pennsylvania state statute, however family violence laws of the jurisdiction. Domestic Violence is currently not specifically defined by Pennsylvania state statute.

Dating Violence: Means violence committed by a person—(a) who is or has been in a social relationship of a romantic or intimate nature with the victim; and (b) where the existence of such a relationship will be determined based on a consideration of the following factors:

(i) The length of the relationship.
(ii) The type of relationship.
(iii) The frequency of interaction between the persons involved in the relationship.

Stalking: Means engaging in a course of conduct directed at a specific person that would cause a reasonable person to—(a) fear for his or her safety or the safety of others; or (b) suffer substantial emotional distress. A person commits the crime of stalking when the person either:

(1) engages in a course of conduct or repeatedly commits acts toward another person, including following the person without proper authority, under circumstances which demonstrate either an intent to place such other person in reasonable fear of bodily injury or to cause substantial emotional distress to such other person; or

(2) engages in a course of conduct or repeatedly communicates to another person under circumstances which demonstrate or communicate either an intent to place such other person in reasonable fear of bodily injury or to cause substantial emotional distress to such other person.

What to do if you have been the victim of sexual assault, dating violence, domestic violence or stalking

After an incident of sexual assault, it is important to seek medical attention as soon as possible. In Pennsylvania, evidence may be collected even if a victim chooses not to make a report to law enforcement. It is important that victims of sexual assault not bathe, douche, smoke, change clothing or clean the bed/linen/area where they were assaulted if the offense occurred within the past 96 hours so that evidence, as may be necessary to the proof of criminal activity, may be preserved. In circumstances of sexual assault, if victims do not opt for forensic evidence collection, health care providers can still treat injuries and take steps to address concerns of pregnancy and/or sexually transmitted disease.
Victims of sexual assault, domestic violence, stalking, and dating violence are encouraged to also preserve evidence by saving text messages, instant messages, social networking pages, other communications, and keeping pictures, logs or other copies of documents, if they have any, that would be useful to University hearing boards/investigators or police. Victims of sexual assault, domestic violence, stalking and dating violence are also encouraged to preserve physical and medical evidence as may be necessary to the proof of criminal domestic violence, dating violence, sexual assault or stalking or in obtaining a protection order. Although the University strongly encourages all members of its community to report violations of this policy to law enforcement, it is the victim’s choice whether or not to make such a report, and victims have the right to decline involvement with the police. Whether a victim reports the crime to the police, or not, if the alleged offender is a member of the University community, the victim has a right to proceed to seek University discipline against the offender as explained in more detail at AD85.

To criminally report an incident involving a sexual assault, domestic violence, stalking, and dating violence, contact the Penn State University Police/Public Safety Department and/or local law enforcement. The University will assist any victim with notifying local police if they so desire, including assisting a victim with making a police report. Making a police report can involve calling or visiting the local police agency to initiate a report. A victim of domestic violence, dating violence, sexual assault or stalking who proceeds through the criminal process has the following rights, which, upon request, will be provided to a reporting student or employee in writing, regardless of where the crime occurred:

- To receive information concerning available services for victims;
- To be notified of certain significant actions and proceedings pertaining to your case;
- To be accompanied at all public criminal proceeding by a victim advocate, family member or another person;
- In cases involving personal injury crimes, burglary, and crimes relating to driving under the influence which involved bodily injury, the victim may offer prior comment on the potential reduction or dropping of any charge or changing of a plea;
- To offer prior comment on the sentencing of a defendant to include the submission of a written and/or oral victim impact statement;
- To be restored, to the extent possible, to the pre-crime economic status through restitution, compensation, and the return of property;
- Where applicable, to obtain an order of protection, no contact order, restraining order, or other similar lawful order issued by a criminal, civil or tribal court, or a no contact directive from the University. The University will, when appropriate, issue a no contact directive.
- If personal injury results from the incident, and the offender is sentenced to a state correctional facility, the victim has the opportunity to provide prior comment on and to receive state post sentencing release decisions (work release, parole, pardon, or community treatment center placement) and to be provided immediate notice of escape of the offender;
- If personal injury occurs from the incident and the offender is sentenced to a local correctional facility, the victim has the right to receive notice of release of the offender (including work release, furlough, parole, community treatment center placement) and to be provided with immediate notice of the escape of the offender;
- Where the offender is subject to a PFA order and is committed to a local correctional facility for a violation of the order or for a personal injury crime against a victim protected by the order, the victim has the right to receive immediate notice of the release of the offender on bail;
- When an offender is committed to a mental health facility from a state correctional institution, the victim has the right to notice of the discharge, transfer, or escape of the offender from the mental health facility; and
- The victim has the right to have assistance in the preparation of, submission of and follow-up on financial assistance claims to the Crime Victim’s Compensation Program.

Moreover, to the extent of the victim’s cooperation and consent, university offices will work cooperatively to ensure that the complainant’s health, physical safety, work and academic status are protected, pending the outcome of a formal university investigation of the complaint. For example, if reasonably available, a complainant may be offered changes to academic, living, or working situations in addition to counseling, health services, and assistance in notifying appropriate local law enforcement, which, where appropriate and requested and to the extent permissible by law, will be kept confidential. All options for accommodation will be provided to the complainant in writing upon request. The University will make available accommodations regardless of whether the complainant chooses to report the crime to campus police or local law enforcement. Additionally, in most cases and consistent with other federal law, personal identifiable information about the victim, and other necessary parties where appropriate, will be treated as confidential and shared only with persons with a specified need to know who are investigating/adjudicating the complaint or delivering resources or support services to the complainant. The University does not publish the name of the crime victims nor house identifiable information regarding victims in the campus police department’s Daily Crime Log or online. Victims may request that directory information on file be removed from public sources by completing a Request to Withhold Directory Information from posted on the Office of the University Registrar’s website at http://www.registrar.psu.edu/student_forms/withhold_dir_info.pdf.

Risk reduction, warning signs of abusive behavior and future attacks

No victim is EVER to blame for being assaulted or abused. Unfortunately, studies show that a person who is the victim of sexual or dating violence is more likely to be re-victimized. Below are some tips to help reduce your risk, to recognize warnings signs of abusive behavior and how to reduce the risk of a potential attack.

Warning Signs of Abusive Behavior

Domestic and dating abuse often escalates from threats and verbal abuse to violence. And, while physical injury may be the most obvious danger, the emotional and psychological consequences of domestic and dating violence are also severe. Warning signs of dating and domestic violence include:
1. Being afraid of your partner;
2. Constantly watching what you say to avoid a “blow up;”
3. Feelings of low self-worth and helplessness about your relationship;
4. Feeling isolated from family or friends because of your relationship;
5. Hiding bruises or other injuries from family or friends;
6. Being prevented from working, studying, going home, and/or using technology (including your cell phone);
7. Being monitored by your partner at home, work or school; and
8. Being forced to do things you don’t want to do.

**Help Reduce Your Risk and Avoid Potential Attacks**

If you are being abused or suspect that someone you know is being abused, speak up or intervene.

1. Get help by contacting the Counseling Center or Health Center for support services
2. Learn how to look for “red flags” in relationships so you can learn to avoid some of those characteristics in future partners
3. Consider making a report with Campus Police and/or the Title IX Coordinator and ask for a “no contact” directive from the University to prevent future contact
4. Consider getting a protection from abuse order or no contact order from a local judge or magisterial justice
5. Learn more about what behaviors constitute dating and domestic violence, understand it is not your fault, and talk with friends and family members about ways you can be supported.
6. Trust your instincts—if something doesn’t feel right in a relationship, speak up or end it.

**Sexual Assault Prevention (From RAINN)**

- Be aware of rape drugs
- Try not to leave your drink unattended
- Only drink from un-opened containers or from drinks you have watched being made and poured
- Avoid group drinks like punch bowls
- Cover your drink. It is easy to slip in a small pill even while you are holding your drink. Hold a cup with your hand over the top, or choose drinks that are contained in a bottle and keep your thumb over the nozzle
- If you feel extremely tired or drunk for no apparent reason, you may have been drugged. Find your friends and ask them to leave with you as soon as possible
- If you suspect you have been drugged, go to a hospital and ask to be tested
- Keep track of how many drinks you have had
- Try to come and leave with a group of people you trust
- Avoid giving out your personal information (phone number, where you live, etc.). If someone asks for your number, take his/her number instead of giving out yours

**Traveling around campus (walking)**

- Make sure your cell phone is easily accessible and fully charged
- Be familiar with where emergency phones are installed on the campus
- Be aware of open buildings where you can use a phone
- Keep some change accessible just in case you need to use a pay phone
- Take major, public paths rather than less populated shortcuts
- Avoid dimly lit places and talk to campus services if you believe that lights need to be installed in an area

- Avoid putting music headphones in both ears so that you can be more aware of your surroundings, especially if you are walking alone
- Walking back from the library very late at night is sometimes unavoidable, so try to walk with a friend
- Carry a noisemaker (like a whistle) on your keychain
- Carry a small flashlight on your keychain
- If walking feels unsafe, try calling campus security

**University Procedures for Responding to Reports of Sexual Assault, Domestic Violence, Dating Violence, and Stalking**

You have other options (information about which can be provided to you in writing upon request), in addition to, or in the alternative to, contacting University Police regarding sexual assault, domestic violence, dating violence and stalking.

Concerns about conduct by a student or student group that may violate this Policy may also be reported to:

Danny Shaha, Senior Director, Office of Student Conduct and Deputy Title IX Coordinator
120 Boucke Building, University Park, PA 16802
Phone: 814-863-0342
Email: jds49@psu.edu

Concerns about conduct by an employee or third-party that may violate this Policy may also be reported to the Affirmative Action Office / Title IX Coordinator at:

Dr. Kenneth Lehrman III, Vice Provost for Affirmative Action and Title IX Coordinator
328 Boucke Building, University Park, PA 16802
Phone: 814-863-0471
Email: kfl2@psu.edu

Concerns about conduct by a student or student group may also be reported to the Title IX Coordinator in addition to or in lieu of contacting the Deputy Title IX Coordinator.

Concerns about conduct by an employee, third-party or student at the Penn State College of Medicine that may violate this policy should be reported to the College Deputy Title IX Coordinator at:

Kim Lantz Yoder, Equity Officer
Office for Diversity, C1747N
Penn State College of Medicine, 500 University Drive, Hershey, PA 17033-0850
Phone: 717-531-0003 ext. 283353
Email: kyoder1@psu.edu

Concerns about conduct by an employee, third-party or student at the Penn State College of Medicine that may violate this policy should be reported to the College Deputy Title IX Coordinator at:
Concerns about conduct by an employee, third party or student at any Commonwealth Campus or other University location should follow the reporting procedures set forth above and on the University’s Sexual Harassment and Assault Reporting and Education website (http://www.psu.edu/share).

If you or someone you know is the victim of a sexual assault, domestic violence, dating violence, and/or stalking, the victim has several rights, including:

- The right to report the incident to the University Police or local authorities. The University will assist victims in notifying either the University or local police. Filing a police report does not mean the victim must pursue criminal charges. The victim maintains his or her rights throughout the process.
- In addition to the campus services listed below, several community service organizations can provide counseling, mental health, and other related services to sexual assault victims. Resources and contact information can be found on the Sexual Harassment and Assault Reporting and Education website at http://www.psu.edu/share.

**Resources:**

- If a victim of a sexual assault or relationship violence incident requests a change in her or his living arrangements or academic schedule, the Office of Student Conduct and other offices at the University will assist the individual with making these changes, as long as they are reasonably available. Furthermore, the University may assist victims with student financial aid assistance and/or visa/immigration assistance if requested and to the extent they are reasonably available.

The following information provides steps to follow should a sexual assault occur:

- Get to a safe place as soon as possible!
- Try to preserve all physical evidence – the victim should not bathe, shower, brush teeth, douche, use the toilet, or change clothing until s(he) has a medical exam. Contact a close friend or relative, if available, who can provide support and accompany the victim to the medical exam and/or police department. Advocates from the Centre County Women’s Resource center are available to the victim to provide support.
- Get medical attention as soon as possible – an exam may reveal the presence of physical injury that the victim is unaware of. Following a sexual assault, antibiotics are typically given at the time of the exam to help prevent the victim from acquiring certain sexually transmitted diseases. Emergency contraception is provided to all female victims at risk of pregnancy from the assault (if the victim presents within 120 hours). If the victim reports memory loss, loss of consciousness or other circumstances suspicious for a drug-facilitated assault, a urine test may be done if the victim presents within 96 hours. Some of the commonly used “date rape” drugs, however, are only detectable in the urine for six to eight hours after ingestion.
- Contact the police – Sexual assault is a crime, it is vital to report it. It is important to remember that reporting a crime is not the same as prosecuting the crime. The decision to prosecute may be made at another time. Final decision to prosecute is determined by the District attorney.
- Consider talking to a counselor – Seeing a counselor may be important in helping the victim understand her/his feelings and begin the process of recovery.

**Internal Disciplinary Procedures that will be followed once an incident of Domestic Violence, Dating Violence, Sexual Assault, or Stalking has been reported**

Sexual misconduct and relationship violence, in any form, violates the Student Code of Conduct, University policy 85, DISCRIMINATION, HARASSMENT, SEXUAL HARASSMENT AND RELATED INAPPROPRIATE CONDUCT (http://guru.psu.edu/policies/ad85.html), and may violate federal and state laws. Violations of this policy are also subject to disciplinary sanctions through the Office of Student Conduct, Affirmative Action Office, and/or the Office of Human Resources.

Reports or complaints alleging sexual assault, domestic violence, dating violence, and stalking are processed on the basis of the status
of the alleged perpetrator (respondent). Reports or complaints against any University employee (faculty, staff, administrator or executive) will be processed by the Affirmative Action Office. Reports or complaints alleging discrimination or harassment of any member of the University community by individuals who are not members of the University community (e.g., third party vendors, contractors, and guests) will also be processed by AAO. Reports or complaints alleging discrimination or harassment by a student will be processed by the Office of Student Conduct (OSC). Confidential reports can be made through Counseling and Psychological Services (www.sa.psu.edu/caps).

The Senior Director of the Office of Student Conduct (OSC) has been designated as a Deputy Title IX Officer for the University by the Title IX Coordinator. As such, all incidents involving an alleged violation of Title IX involving students should be forwarded to the Senior Director of OSC for review. When received by the Senior Director, the information will be reviewed and the level of investigation, accommodation, and/or remedial measures already implemented as well as the potential need for a timely warning will be assessed. The Senior Director will also ensure that accommodations, resources, rights, and options are addressed with the complainant. At any time, when a complainant expresses an interest in exploring options within the Office of Student Conduct, the process will begin with communication with the Complainant. This conversation will most often be held with an Associate Director of Student Conduct and will occur in a prompt and timely fashion.

Possible outcomes of this initial discussion include the following:
1. The incident is documented, but no further action is determined to be necessary by the Senior Director. Appropriate remedial measures will still be applied; or
2. Complainant wishes for the University to proceed with only an initial investigation to include contact with the respondent. The complainant will be eligible for appropriate remedial measures. The complainant will also be informed that if at any point in the future the complainant wishes for formal action, the complainant can request it at that time. A timeline for next steps will be reviewed, and when appropriate, additional meetings scheduled; or
3. The complainant requests that the University proceed with the formal University conduct process. The complainant will be eligible for appropriate remedial measures. Additional information necessary to proceed with the formal process will be obtained. A timeline for next steps will be reviewed and when appropriate, additional meetings scheduled.

In any of the three outcomes listed above, appropriate documentation will be completed for submission to the Title IX Coordinator and the OSC Title IX database.

There may be cases in which the information provided requires that action be taken (including initiating informal or formal action), irrespective of the desires of the complainant and in such cases, the University will take that action. In those cases, every effort will be made to explain to the complainant the rationale for moving forward and the relevant procedures and timelines, and to keep them abreast of the process. At no time, however, will the complainant be compelled to participate in the process.

**Initial Investigation**

When only an initial investigation is pursued, OSC staff will contact the respondent to schedule a meeting. In that meeting, OSC staff will review the following:
1. rights of the respondent,
2. the allegations,
3. the respondent’s perspective on the allegations,
4. actions requested by the complainant, if any, and
5. actions recommended by the University.

If, following the discussion, the respondent agrees to honor the complainant’s and University’s requests, and the University believes that the complainant’s requests are reasonable and appropriate, steps will be taken to complete those actions in a prompt and timely manner. Examples of such actions include, but are not limited to, counseling for the respondent, commitment to change/end the behavior, restricted activity, schedule modification, and educational intervention. The complainant will be notified if the respondent’s agreement and appropriate documentation will be completed for submission to the Title IX Coordinator and the Title IX database. No reportable disciplinary record is created. However, the information will remain on file should future concerns be reported.

When the respondent is not willing to honor the requests of the complainant or the University, a follow-up meeting will be held with the complainant to determine next steps. Although selecting the initial investigation initially, the complainant may wish to modify the request to a formal process.

**Internal Disciplinary Procedures for Institutional Disciplinary Action in cases of Alleged Domestic Violence, Dating Violence, Sexual Assault, and Stalking**

**Formal Student Conduct Process**

When cases involving domestic violence, dating violence, sexual assault, or stalking are reported and a formal conduct process is initiated, the University will provide a prompt, fair, and impartial investigation and resolution.

Reports will be investigated and managed by professional staff, Title IX Decision Panel members, or University Conduct Board (UCB) members who have been trained annually on issues related to domestic violence, dating violence, sexual assault, stalking, and victimization, and on how to conduct an investigation and hearing process that protects the safety of victims and promotes accountability.

If it is determined that it is appropriate and necessary, a formal investigation process prior to the determination of charges and sanctions will occur. When a formal investigation process is initiated, the assigned investigator will attempt to interview all parties who have substantive information to share about the allegations and will attempt to gather all available documentation. An investigative packet containing the information received and collected will be compiled.

In sexual violence cases at University Park, the investigative packet will be forwarded to a Title IX Decision Panel whose members will make a decision of responsibility or non-responsibility based on a preponderance of evidence standard.
In all other cases, the case manager will meet with the complainant and respondent, will review all available information, and will determine if there is a reasonable belief that a violation occurred. If so, charges will be assigned and sanctions will be recommended. If charges are assigned and the respondent accepts responsibility, both the respondent and complainant have the opportunity to request a sanction review.

If the respondent contests the charges (i.e., denies responsibility for one or more of the assigned charges), the matter will be forwarded to a hearing. The standard of evidence in a hearing is a preponderance standard. In a hearing, both parties may question all witnesses. Questions may also be posed by each party to the other; however, questioning of the other party will be permitted only through the Hearing Chair.

In either the investigative model or the hearing model, the respondent and complainant may each be assisted by an advisor of their choice, pursuant to the policies outlined in the Office of Student Conduct Procedures document. In addition, each party will be allowed to submit an impact statement that will be reviewed by the UCB or Title IX Decision Panel should the respondent be found responsible for violating the Code.

Both the respondent and the complainant will be notified simultaneously, in writing, of the decision once the written outcome has been submitted to the Case Manager by the Title IX Decision Panel or UCB. Both the respondent and the complainant will be notified, in writing, of the appeal procedure, of any change to the decision that occurs prior to the time that the decision becomes final, and when the decision becomes final.

If suspension or expulsion is either assigned or was within range for the charges, both the complainant and the respondent will have the opportunity to file an appeal. At the conclusion of any appeal process, both the complainant and the respondent will be notified simultaneously, in writing, of the outcome of the process.

Employee Disciplinary Proceedings for Reports of Sexual Assault, Dating Violence, Domestic Violence and Stalking Against an Employee

In cases of reports of sexual assault, dating violence, domestic violence or stalking (as defined in AD85) against an employee (hereinafter “respondent”), a disciplinary proceeding shall be conducted. Upon completion of a formal investigation by the Affirmative Action Office (AAO), a written Determination Report will be provided to the alleged victim, respondent and the appropriate Dean or Administrative Officer or their designee, as identified by the AAO, with authority to impose disciplinary sanctions on the respondent in accordance with applicable employment policies and procedures. In consultation with the appropriate Dean or Administrative Officer, the AAO shall schedule a disciplinary meeting(s) within thirty (30) business days of the date of the Determination Report. The disciplinary meeting(s) shall afford the alleged victim and the respondent separate opportunities to comment on the conclusion and recommendations of the Determination Report. Comments may be in writing or in-person (or both) at the independent discretion of the alleged victim or respondent. Both the alleged victim and the respondent may be accompanied by an advisor of their choice throughout the disciplinary process.

Upon consideration of the Determination Report, along with any additional comments, the appropriate Dean or Administrative Officer and the AAO, in consultation with the Human Resources Representative and Employee Relations, shall render a decision. If the AAO and the appropriate Dean or Administrative Officer concludes, by a preponderance of the evidence, that a policy violation occurred, s/he/they will decide on appropriate sanctions and prepare a Disciplinary Report. The Disciplinary Report will include the disciplinary sanctions as well as remedial measures and recommendations for prevention of retaliation.

Disciplinary sanctions may include one or more of the following measures:

- Termination from the University
- Unpaid suspension
- Restrictions from all or portions of campus
- Change in working facility
- Mandated education
- Written reprimand in personnel file
- Removal from classroom teaching
- Tenure revocation
- Withhold salary increase (from one to several years)
- Removal of endowed chair
- Removal of emeritus status
- Removal of graduate school status
- Termination of research project funding
- Removal from administrative position

If the AAO and the appropriate Dean or Administrative Officer concludes, by a preponderance of evidence, that no policy violation occurred, s/he/they will prepare a Disciplinary Report and the complaint will be documented and closed. Remedial measures, accommodations for the alleged victim, and recommendations for the prevention of retaliation may be considered when no policy violation is found. Please refer to AD67 - Disclosure of Wrongful Conduct and Protection from Retaliation and/or AD85 - Discrimination, Harassment, Sexual Harassment and Related Inappropriate Conduct for additional information on the prevention of retaliation.

A copy of the Disciplinary Report shall be provided to the alleged victim, the respondent, the Human Resources Representative(s) of the employee(s), and the Employee Relations Division of the Office of Human Resources within fifteen (15) business days of the conclusion of the disciplinary meeting. The AAO will maintain a copy of both the Determination Report and Disciplinary Report.

Appeal of Disciplinary Proceeding

In cases of reports of sexual assault, dating violence, domestic violence, or stalking against an employee, both the alleged victim and the respondent shall have the right of appeal from the Disciplinary Report as to findings of policy violation and appropriateness of disciplinary action and recommendations for prevention of retaliation. In cases where the respondent is a faculty member, academic administrator or other academic employees, appeal shall be to the Vice Provost for Academic Affairs. In cases where the respondent is any other (non-academic) employee, appeal shall be to the Senior Director of Employee Relations. Appeal shall be in writing within fifteen (15) business days of receipt of the Disciplinary Report, and shall list the specific matters to be appealed. Appropriate grounds for appeal are instances where procedural error or previously unavail-
able relevant evidence could significantly impact the outcome of a case or where a sanction is substantially disproportionate to the findings. Within fifteen (15) business days of the written appeal, the Vice Provost for Academic Affairs or Senior Director of Employee Relations shall issue a Final Determination in writing to the alleged victim, respondent, the Human Resources Representative, AAO and the appropriate Dean or Administrative Officer.

Throughout the process outlined above, the alleged victim shall be offered appropriate remedial measures and protection from retaliation. The alleged victim shall also be informed by the AAO on how to make a criminal report and how to file a complaint with the appropriate state or federal agency along with a copy of AD85.

**Burden of Proof**

As noted, the standard of evidence for determining whether a violation occurred, specifically when investigating alleged domestic violence, dating violence, sexual assault, and stalking, is “preponderance of evidence.”

**Possible sanctions or protective measures Penn State may impose following a final determination of an institutional procedure**

Following a final determination of an institutional procedure regarding domestic violence, dating violence, sexual assault or stalking, the University may impose the following sanctions or protective measures:

**Students**
- Sanctions up to and including expulsion from the University
- Administrative Directives for No Contact: (Students may request a Directive for No Contact through the Senior Director of Office of Student Conduct or the Director of Residence Life)
- Restriction from portions of campus
- Change in housing assignment
- Change in course assignment
- Mandated Psychological Evaluation and/or Counseling
- Mandated Education

**Faculty/Staff**
- Employee termination from the University
- Unpaid suspension
- Restrictions from all or portions of campus
- Change in working facility
- Mandated education
- Written reprimand in personnel file
- Removal from classroom teaching
- Tenure revocation
- Withhold salary increase (from one to several years)
- Removal of endowed chair
- Removal of emeritus status
- Removal of graduate school status
- Termination of research project funding
- Removal from administrative position

**Protecting the Confidentiality of Victims**

All members of the University Conduct Board, Title IX Decision Panel, case managers and investigators have been trained in confidentiality of student records and the provisions of the Family Educational Rights to Privacy Act. Personal identifiable information about the victim, and other necessary parties where appropriate, will be treated as confidential and only shared with persons with a specific need to know who are investigating/adjudicating the complaint or delivering resources or support services to the complainant. The University does not publish the name of the crime victims nor house identifiable information regarding victims in the campus police department’s Daily Crime Log or online. Victims may request that directory information on file be removed from public sources by completing a Request to Withhold Directory Information from posted on the Office of the University Registrar’s website at http://www.registrar.psu.edu/student_forms/withhold_dir_info.pdf.

**Education and Prevention Programs**

The University engages in comprehensive educational programming to prevent domestic violence, dating violence, sexual assault and stalking. Educational programming consists of primary prevention and awareness programs for all incoming students and new employees and ongoing awareness and prevention campaigns for the campus community that:

a. Identifies domestic violence, dating violence, sexual assault and stalking as prohibited conduct;

b. Defines what behavior constitutes domestic violence, dating violence, sexual assault, and stalking;

c. Defines what behavior and actions constitute consent to sexual activity in the Commonwealth of Pennsylvania;

d. Provides safe and positive options for bystander intervention that may be carried out by an individual to prevent harm or intervene when there is a risk of domestic violence, dating violence, sexual assault, or stalking against a person other than the bystander;

e. Provides information on risk reduction so that students and employees may recognize warning signs of abusive behavior and how to minimize the risk of potential attacks;

The University has developed an annual educational campaign consisting of presentations that include distribution of educational materials to new students; participating in and presenting information and materials during new employee orientation; presenting programs throughout the year on at least a quarterly basis. Below is a program available at the University.

- **Seeking Help for Personal or Professional Matters of Concern and Sexual Harassment**
  Orientation session held in fall for incoming medical students, third-year medical students, and graduate students.

### Sex Offender Registration — Campus Sex Crimes Prevention Act

**Megan’s Law**

Members of the general public may request community notification flyers for information concerning sexually violent predators in a particular community by visiting the chief law enforcement officer in that community. In jurisdictions where the Pennsylvania State Police is the primary law enforcement agency, members of the general public may make such requests at the local Pennsylvania State Police Station in that community. This information is also available on the Pennsylvania State Police “Megan’s Law” website (http://www.pameganslaw.state.pa.us).

### CAMPUS SECURITY POLICIES; CRIME PREVENTION AND SAFETY AWARENESS PROGRAMS

In addition to the many programs offered by the Department of Security and other University offices, the University has established a number of policies and procedures related to ensuring a reasonably safe campus community. These policies include:

#### Behavioral Threat Management Team

In order to enhance emergency preparedness and prevention efforts, Penn State has established a Behavioral Threat Management Team (BTMT). The objective of the BTMT is to systematically identify, evaluate, and manage potentially threatening situations, including persons of concern, at the University. The multidisciplinary team is composed of people from University campuses and surrounding communities.

In addition to the BTMT at the University Park campus, each Commonwealth campus also has a team responsible for managing concerning situations on their respective campuses. While the Commonwealth campus BTMTs may consult with the University Park team at any time, more serious and complex cases are managed in consultation with the University Park BTMT.

If you would like further information about the BTMT, please visit the Behavioral Threat Management website at http://btmt.psu.edu.

#### Weapons Policy

The possession, carrying, and use of weapons, ammunition, or explosives is prohibited on University-owned, or -controlled property.

The only exception to this policy is for authorized law enforcement officers or others, specifically authorized by the University. Failure to comply with the University weapons policy will result in disciplinary action against violators.

### Student Conduct

**The Office of Student Conduct**

The mission of the Office of Student Conduct is to promote a safe, orderly, and civil University community and to encourage and inspire students to become good citizens by engaging in personal responsibility, ethical decision making, and demonstrating respect for the rights and safety of others.
The Student Code of Conduct

The Office of Student Conduct is responsible for administering the Student Code of Conduct, which articulates the behavioral standards and the equitable procedures employed by the University to respond to allegations of student misconduct.

The Code of Conduct is administered at all Penn State campuses on University property (excluding the Law School) and may also address off-campus student misconduct when a student’s behavior affects a Substantial University Interest.

Students who are found responsible for violations may be subject to sanctions ranging from Conduct Conversation or Conduct Probation to Suspension or Expulsion from the University. Students residing in University housing may also lose the privilege of living on campus.

In most cases, the Office of Student Conduct will also assign developmental and educational interventions designed to promote greater awareness and improved decision making for students and to further deter future misconduct.

The University will, upon written request, disclose to an alleged victim of a crime of violence or non-forcible sexual assault the report on the results of any disciplinary proceeding conducted by the University.

In instances where a student’s conduct, behavior, or other objective evidence provides a reasonable cause to believe a student is an immediate and significant threat to the health or safety of other persons, to property of the University or others, to disrupting essential campus operations, or to the student’s own health or safety, the Office of Student Conduct may assign an Interim Suspension and/or other interim actions that are designed to protect the health and safety of the community and members therein.

The Office of Student Conduct is also responsible for conducting pre-admission, re-enrollment, and continuing enrollment reviews for prospective, returning or current students with known behavioral problems. Any individual or entity may submit reports alleging student misconduct to the Office of Student Conduct or designee at the campus where the incident occurred.

The Office of Student Conduct also provides outreach programming designed to inform and educate students and to promote the Penn State Principles. Please visit the Office of Student Conduct website at http://studentaffairs.psu.edu/conduct, where you can find the Student Code of Conduct, Parental Notification Policy, Student Records Policy, and links to all policy and procedural guidelines related to the Student Conduct process. Students are encouraged to take the “Know the Code” quiz located on the Student Conduct website.

Additional Information Regarding the Student Code of Conduct

The Pennsylvania State University is obligated to provide all The Pennsylvania State University is obligated to provide all students with the University regulations, policies, and procedures governing student conduct. Penn State policies and procedures, including the Code of Conduct for Students and the Off-Campus Misconduct Policy, are published on the Student Conduct website, www.studentaffairs.psu.edu/conduct.

If you have additional questions, special needs, or wish to request a hard copy of this information, please contact the Office of Student Conduct at Penn State Hershey.

This publication, as well as University regulations and policies and procedures governing student conduct, is available on the “Policies and Crime Statistics” channel of the Penn State Portal, https://portal.psu.edu.

Parental Notification Policy

The University reserves the right to report student discipline information to the parents or legal guardians of students.

Federal legislation authorizes Penn State to disclose disciplinary records concerning violations of the University’s rules and regulations governing the use or possession of alcohol or controlled substances that involve students who are under the age of 21, regardless of whether the student is a dependent.

The University may also report non-alcohol or drug-related incidents to parents or legal guardians of dependent students under circumstances described in the Student Guide to General University Policy and Rules. See the following website for the University Code of Conduct and additional information concerning Parental Notification (http://studentaffairs.psu.edu/conduct/pdf/parentalnotification.pdf).

Missing Student Policy

The Higher Education Opportunity Act of 2008 (effective August 14, 2008) requires any institution participating in a Title IV federal student financial aid program that maintains on-campus housing facilities to establish a missing student notification policy and related procedures. The following policy and related procedures is Penn State’s official Missing Student Policy.

When it is determined that a student is apparently missing from the University, staff at Penn State, in collaboration with campus and local law enforcement, will be guided by this Missing Student Policy and standing operating procedures, to locate the student.

The entire Missing Student Protocol can be found on the Student Affairs website at: http://studentaffairs.psu.edu/conduct/pdf/missing_student_protocol.pdf. Along with the Missing Student Protocol, the formal SY42 Policy can be found at: https://guru.psu.edu/policies/SY42.html.

Provisions

NOTIFICATIONS

The Missing Student Policy requires anyone who believes a Penn State student is missing to immediately notify specific staff in the University administration, University Police, and local law enforcement. Specifically, staff in the Office of Residence Life, Assistant Vice President for Student Affairs and Student and Family Services, University Police Services and Public Safety, and the senior Student Affairs professional at a campus, should be contacted so that they can coordinate efforts to locate the student.

Penn State has developed a list of titles of persons and offices to which students, employees, or others can contact if they have reason to believe a student who lives in on-campus student housing has been missing for twenty-four hours. The list of positions, offices, and contact information to be utilized if a student is reported missing from campus is included at the end of this policy (University Contacts for Missing Students).

In addition to contacting these specific offices, anyone who has a concern that a student is missing should alert any Penn State
employee who they think will aid in the investigation of a student disappearance. Beyond notifications made by campus employees to University staff, University Police, or campus security, in the absence of a campus police or campus security department, the University must refer immediately any missing student report to the local law enforcement agency that has jurisdiction in the geographical areas around the specific campus location.

REGISTERING AND NOTIFYING MISSING STUDENT CONTACTS

In accordance with this policy, students will be notified annually that each residential student of the University has the option to confidentially designate an individual to be contacted by the Penn State administration no later than 24 hours after the time that it is determined the student is missing.

Penn State provides each student with the means and opportunity to register their confidential missing student contact information by logging into the University's eLion system and filling out the Address and Contact Information form. This missing student contact person can be anyone. This option is provided to students even if a student has already registered an individual as a general emergency contact. The student also has the option to identify the same individual for both their general emergency contact and missing student contact. Missing student contact information is registered confidentially. This information is private and only accessible to Penn State employees who are authorized campus officials. This information will not be disclosed to others, with the exception to law enforcement personnel in the furthance of a missing student investigation.

Penn State will notify the missing student’s parents or guardian in addition to the person identified as the missing student’s contact person of any student who is under 18 years of age and not an emancipated individual. The University will make contact no later than 24 hours after the time that the student is determined to be missing.

NOTIFYING LAW ENFORCEMENT

Penn State will also notify the appropriate local law enforcement agency of the missing student unless the local law enforcement agency was the entity that made the determination that the student was missing. This notification will include any missing student who lives in on-campus housing regardless of age or status, and regardless of whether he or she has registered a confidential missing student or general emergency contact person. This notification will be made no later than 24 hours after the time that the student is determined missing.

If the campus law enforcement personnel or campus security department has been notified that a student is suspected missing, and makes a determination that a student who is the subject of a missing person report has been missing for more than 24 hours, Penn State staff will initiate emergency contact procedures as outlined in Penn State’s policy and protocol.

Daily Crime and Fire Log

Department of Security maintains a combined Daily Crime and Fire Log of all incidents reported to them. The Department of Security department publishes an activity log every day, which is available to members of the press and public. This log identifies the type, locations, and time of each criminal incident reported to Department of Security. Local newspapers, television and radio stations are provided Crime and Fire log information upon request. Information deemed newsworthy is published in both newspapers and is broadcast by the local radio and television stations.

The most current sixty days of information is available at the Security Department, Eastmoor Building, 2nd Floor. Upon request, a copy of any maintained Daily Crime and Fire Log will be made available for viewing, within forty-eight hours of notice.

Crime Prevention and Safety Awareness Programs

In an effort to promote safety awareness, the Penn State Hershey Department of Security participate in a variety of programs to educate and inform students, employees, parents and the community at large on a variety of issues. The programs are presented upon request or are scheduled at various times and locations on or near the campus. If you or your organization would like to request a specific program, please contact the Department of Security at 717-531-8711. Below are some of the programs and services available:

Violence De-Escalation Training

Security Department certified violence de-escalation trainers provided an eight-hour training course several times during the year in verbal and physical violence de-escalation techniques.

Domestic Violence Education

Penn State Hershey’s Domestic Violence Medical Advocate provides a course on Domestic Violence awareness and education on campus that is repeated throughout the year, with persons from all areas in and around the campus community in attendance.

Seeking Help for Personal or Professional Matters of Concern and Sexual Harassment

Orientation sessions held in fall for incoming medical students, 3rd year medical students, and graduate students.

Campus Safety/Security Training

Orientation session held in the fall for incoming medical students.

Campus Security Orientation

Orientation session for incoming nursing students.

Fire Safety Training

Provides attendees with an overview of fire safety, how to use fire extinguishers and the best way to exit a structure that is ablaze.

Surviving an Active Shooter Situation

Penn State Hershey provides an online presentation designed to educate staff and students in recognizing, preparing for, and surviving an active shooter situation in a hospital or clinical environment. This program is available on campus through the Compass Learning Management System and/or to groups who request face to face instruction. This education was made mandatory for all staff and students who work in the clinical setting.
Recognizing and Preventing Violence

Penn State Hershey provides an online presentation designed to educate staff and students in recognizing and preventing workplace violence in a hospital or clinical environment. This program is available on campus through the Compass Learning Management System and/or to groups who request face to face instruction. This education was made mandatory for all staff and students who work in the clinical setting.

Penn State Sexual Violence Education

Penn State has an online sexual violence education program. All new graduate and professional students are encouraged to complete the program prior to matriculation. The program educates students about sexual assault and sexual harassment. The program helps students develop practical skills to keep themselves and their friends safe. The module is open to all employees and students and can be accessed at https://studentaffairs.psu.edu/sexualassault/

PENN STATE UNIVERSITY POLICIES GOVERNING ALCOHOL AND OTHER DRUGS

Penn State’s Alcohol and Drug Policy

Federal law requires Penn State to notify all faculty, staff, and students of certain information pertaining to the unlawful possession, use, or distribution of illicit drugs and alcohol on its property or as part of its activities. The information included in this report complies with the notification requirements of the Drug-Free Schools and Communities Act and its implementing regulations.

The University prohibits the unlawful possession, use, manufacture, or distribution of alcohol or controlled substances by students, faculty, staff, and guests in buildings, facilities, grounds, or property controlled by the University or used as part of University activities. For students, this includes prohibiting the possession and consumption of any beverage containing alcohol in a residence hall room except by individuals who are 21 years or older at campuses where alcoholic beverages are permitted. This also includes prohibiting the presence of students under the age of 21 in residence hall rooms where alcohol is present. In addition, the smoking of any material is prohibited in all facilities of Penn State University at all locations.

Areas Open to the Public

The Pennsylvania State University prohibits the possession and use of alcoholic beverages in areas open to the public, including areas of buildings open to the public. However, the use of alcoholic beverages, subject to the laws of the Commonwealth, may be permitted at University-sponsored activities in areas designated by, and with the prior approval of, the University Risk Manager at the University Park campus; the Senior Vice President for Health Affairs and Dean of the College of Medicine, Penn State Milton S. Hershey Medical Center; or at other non-University Park locations, the Chancellor or appropriate campus/center executive officer responsible for the area requested.

Private or Closed Areas

The possession and use of alcoholic beverages are prohibited in conference rooms, offices, office reception rooms, closed buildings, and areas of buildings not open to the public or from which the public has been excluded, except: the use of alcoholic beverages, subject to the laws of the Commonwealth, may be permitted in specific private or closed areas designated by, and with the prior approval of, the appropriate person responsible for the area of request.

Education and Research Areas

The Pennsylvania State University specifically prohibits the use, possession, and dispensing of alcoholic beverages in classrooms, lecture halls, laboratories, libraries, research areas, or within buildings, arenas or areas where athletic events, lectures, or concerts are held, during such events or activities. Permission will not be granted to use or possess alcoholic beverages in a facility that is being used for one of the above functions. (Please consult Policy AD18, Use and Distribution of Alcoholic Beverages (http://guru.psu.edu/policies/AD18.html), for more information.)

Policies Specific to Faculty and Staff

As a condition of University employment, every employee shall abide by the terms of this policy. Any employee who violates this policy is subject to Penn State sanctions, including dismissal, as well as criminal sanctions provided by federal, state, or local law. An employee may be required to participate in a drug abuse or drug rehabilitation program. An employee must notify his or her supervisor of any criminal drug conviction for a violation occurring in the University workplace no later than five (5) days after such conviction. Please consult Policy AD33, A Drug-Free Workplace for more information (http://guru.psu.edu/policies/AD33.html.)

Policies Specific to Penn State Students

Any student who violates this policy is subject to disciplinary action including sanctions as outlined in the Student Code of Conduct in addition to any penalties resulting from violating local, state, and/or federal law. Disciplinary sanctions may include: Students who are found responsible for violations may be subject to sanctions ranging from Disciplinary Warning or Disciplinary Probation to Suspension or Expulsion from the University. Students residing in University housing may also lose the privilege of living on campus for violating University rules and regulations or conditions of the housing contract. In most cases, the Office of Student Conduct will also assign developmental and educational interventions designed to promote greater awareness and improved decision making for students and to further deter future misconduct.

Residence Life Alcohol Policy

Alcohol And Illegal Substances

ALCOHOL POLICY

The possession of use of alcoholic beverages is prohibited. It is a violation of state law and university policy for a student under 21 years of age to attempt to purchase, consume, possess, or transport alcoholic beverages. It is unlawful to sell, furnish, and give alcoholic beverages or to permit alcoholic beverages to be sold, furnished, or given to any minor.

It is against Penn State Hershey policy for anyone to possess alcohol on campus without the expressed permission of the Chancellor.
Residents will be held responsible for activities that occur in their rooms, and will be referred to the Office of Residence Life, the Office of Student Conduct, and/or University Police if guests are violating the on-campus alcohol policies listed above.

Failure to comply with the direction or to present identification to a University official acting in the performance of his/her duties is a violation of the Student Code of Conduct and will result in a referral to the Office of Residence Life or the Office of Student Conduct.

It is against the Student Code of Conduct to supply false information, such as name, age, etc., to University officials who are acting in the performance of their duties.

**ILLEGAL SUBSTANCES (DRUGS)**

It is a violation of state law and University policy to illegally possess, use, distribute, manufacture, sell, or be under the influence of other drugs. Students who violate this policy will be referred to the Office of Residence Life, the Office of Student Conduct, and/or Department of Security.

It is against residence hall policy for a student to be in a residential area (room, common area, common building, building entryway, or quad area immediately adjacent to the residence halls) and in the presence of an illegal substance. Students who are in the presence of an illegal substance in these areas will be referred to the Office of Residence Life, the Office of Student Conduct and/or Department of Security.

---

**Penn State’s Responsible Action Protocol**

Penn State has a Responsible Action Protocol whereby students who seek medical assistance for peers suffering from alcohol poisoning or related problems may not be charged through the campus student conduct system for their own alcohol violations. Under the protocol, students who act responsibly by notifying the appropriate authorities (e.g., calling 911, alerting a resident assistant, contacting police) typically will not face University disciplinary action for their own alcohol violations, unless they are responsible for other violations (e.g., vandalism, assault) as well. However, these students will be required to attend BASICS or similar program; the fee will be waived.

**Underage Drinking**

It is illegal for anyone under 21 years of age to attempt to purchase, consume, possess, or knowingly and intentionally transport any liquor, malt, or brewed beverage. It is also illegal to lie about age to obtain alcohol and to carry a false identification card.

By law, the local police department and University Police are required to notify parents or guardians of all underage-drinking violations.

Penn State University has a zero-tolerance policy associated with students consuming beverage alcohol under the age of 21. Not only is this against the Pennsylvania law, it is also a violation of the Student Code of Conduct.

**Carrying False I.D.**

It is illegal for anyone under 21 to possess an identification card falsely identifying that person by name, age, date of birth, or photograph as being 21 or older to attempt to obtain liquor, malt, or brewed beverage by using the identification card of another or by using an identification card that has not been lawfully issued to or in the name of the person who possesses the card.

**Public Drunkenness**

It is illegal to appear in any public place manifestly under the influence of alcohol to the degree that you may endanger yourself or other persons or property, or annoy others in your vicinity.

Public drunkenness is a crime when a person appears in any public place manifestly under the influence of alcohol or a controlled substance to the degree that he may endanger himself or other persons or property, or annoy persons in his vicinity.

Know the signs:
- Passed out or difficult to wake
- Cold, clammy, pale, or bluish skin
- Slowed breathing
- Vomiting while asleep or awake

Know how to help:
- Turn a vomiting person on his or her side to prevent choking
- Clear vomit from the mouth
- Keep the person awake
- NEVER leave the person unattended

**Pennsylvania Alcohol-Related Offenses**

**Pennsylvania’s Medical Amnesty Law**

If an individual who is under 21, in good faith, calls and believes they are the first to call 911, police, ambulance or campus security, gives their name and stays with the person to prevent that person’s death or serious injury, the caller is immune from prosecution for consumption or possession of alcohol.
Public drunkenness also leads to other behaviors and important health concerns. Often, public drunkenness contributes to many criminal mischiefs and disorderly conducts on campus. People must be responsible for their own actions and know their limits and tolerance levels before consuming alcohol.

**Driving Under the Influence (DUI) Law**

In Pennsylvania, the illegal level for DUI is .08 percent Blood Alcohol Content (BAC) and .02 percent BAC for minors. The law emphasizes treatment and a three-tier penalty system based on BAC and prior offenses: (1) general impairment (.08-.099 percent), (2) high rate of alcohol (.10-.159 percent), and (3) highest rate of alcohol (.16 percent and above).

Also, drivers with any amount of a Schedule I, II, or III controlled substance not medically prescribed (or their metabolites) may not drive, operate, or be in actual physical control of a vehicle.

It is illegal for anyone under 21 years of age to drive a vehicle with a blood alcohol content of .02 percent or higher. A first-time offense individual, under certain circumstances, may qualify for an Accelerated Rehabilitative Disposition (ARD) program.

**Possession of Other Drugs**

In Pennsylvania, the penalties for being convicted of possession of a controlled substance such as heroin, cocaine, methamphetamines, prescriptions, ecstasy, and LSD vary by type of substance and quantity of the substance possessed. Charges also vary by first, second and subsequent offenses. Charges may include jail time, fines, drug counseling, and suspension of driver’s license.

**Possession of Drug Paraphernalia**

A person is unlawful when he possesses, with the intent to use, drug paraphernalia that is used for packaging, manufacturing, injecting, ingesting, inhaling, or otherwise introducing into the human body a controlled substance in violation of the Controlled Substances, Drugs, Device and Cosmetic Act of 1972.

**Synthetic Marijuana**

Effective March 1, 2011, the U.S. Drug Enforcement Agency classified synthetic marijuana as an illegal substance. It is also known as Spice, K2, Demon, Wicked, Black Magic, Voodoo Spice, and Ninja Aroma Plus. Individuals found responsible for manufacturing, possessing, importing/exporting, or distributing these substances will face criminal and civil penalties. Penn State students engaging in these activities will also be held responsible under the University’s illegal substances policy. It is also against University policy to use synthetic marijuana.

**Refusing a Chemical Test**

Any person who drives a motor vehicle automatically gives consent to one or more chemical test (e.g. breath, blood, or urine). This implied consent means that you don’t have the right to an attorney before testing. If a person refuses to submit to a chemical test: (1) the test will not be done; (2) the person’s license will be suspended for one year; (3) the person will most likely be charged with DUI.

For more information about all alcohol-related offenses in Pennsylvania, see www.lcb.state.pa.us/PLCB/Education/index.htm. Click on “Alcohol & the Law.”

**Open Container Law**

In Pennsylvania, there is no state law to prohibit open containers of alcohol in public. However, many local governments have enacted such ordinances. For more information about all alcohol-related offenses in Pennsylvania, see www.lcb.state.pa.us. Click on “Alcohol & the Law.”

**Related Drug Offenses**

**Possession of Marijuana**

A person is unlawful when unknowingly, knowingly, or intentionally possesses marijuana (Hashish), a Schedule I substance, and is not authorized by law to possess such substance, as outlined under the Controlled Substances, Drugs, Device and Cosmetic Act of 1972.

Persons engaged in such activity will most likely be fined and charged with a violation of the Student Code of Conduct.

The charges for marijuana possession include:

### Notes:
- Alcohol and other drug use during pregnancy increases risk of physical harm to fetus.
- Additional risks of harm may occur from toxic impurities present in street drugs.
- Additional risks of harm may occur from the use of prescription drugs in ways other than prescribed.
- Drugs taken by injection can increase the risk of infection (e.g., HIV, hepatitis, etc.) through needle contamination.

ANNUAL DISCLOSURE OF CRIME STATISTICS

While the Penn State Hershey and the Hershey Medical Center campus is a reasonably safe environment, crimes do occur. In addition to the Clery Act crimes statistics, other common crimes that occur on campus are outlined below.

Theft

Theft is a common occurrence on college campuses. Often, this is due to the fact that theft is often seen as a crime of opportunity. Confined living arrangements, recreation facilities, and many open classrooms and laboratories provide thieves with effortless opportunities. Occupants of the residence halls often feel a sense of security and home atmosphere and become too trusting of their peers, while other leave classrooms and laboratories unlocked when not occupied for short periods of time.

It is important to be very vigilant when it comes to suspicious persons. Never leave items and valuables lying around unsecured. Doors should be locked at all times. The following is a list of suggestions to help you not fall victim to theft.

- Keep doors to residence halls, labs, classrooms locked when not occupied
- Don’t provide unauthorized access to persons in the buildings or classrooms
- Do not keep large amounts of money with you.
- Lock all valuables, money, jewelry, and checkbooks in a lock box or locked drawer
- Keep a list of all valuable possessions including the make, models, and serial numbers
- Take advantage of the Engraving Programs to have all valuables engraved with specific identifying marks.
- Don’t leave laptop computers or textbooks unattended in labs or libraries, even if it is for a short period of time
- Don’t lend credit cards or identification cards to anyone.
- Report loitering persons or suspicious persons to police immediately; don’t take any chances

Identity Theft

Identity theft is a crime in which someone wrongfully obtains and uses another person’s personal information in some ways that involves fraud or deception, typically for economic gain. This personal data could be a Social Security number, bank account, or credit card information.

Persons involved in identity theft often use computers or other forms of media to assist them.

You can take measures to prevent this from happening to you:
- Do not give anyone your personal information unless there is a legitimate reason to trust them.
- Never give your credit card information, date of birth, or other information over the telephone, unless you can confirm the person receiving that information.
- Complete a credit check frequently to assure there is no suspicious activity.
- Examine financial information often to assure all transactions are authorized and accounted for.
- Use security software and install firewalls on computers.

Clery Act Crimes

Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (20 USC § 1092(f)) requires colleges and universities across the United States to disclose information about crime on and around their campuses. The University Police collects the Clery crime statistics disclosed in the following charts through a number of methods.

The University Police maintains a close relationship with all police departments where Penn State owns or controls property to ensure that crimes reported directly to these police departments that involve the University are brought to the attention of the University Police. In addition to collecting Clery crime statistics from local police departments, all reports of crime incidents made directly to the University Police (through police dispatchers and officers) are entered into an integrated computer aided-dispatch systems/records management system. The entries are recorded in the system in accordance with the crime definitions outlined in the FBI Uniform Crime Reporting Handbook and the FBI National Incident-Based Reporting System Handbook (sex offenses only). To ensure each report is appropriately classified in the correct crime category, after a dispatcher or officer enters the report in the system, a department administrator reviews the report to ensure it is appropriately classified. The department also periodically examines data in the system for appropriate classification.

In addition to the crime data that the University Police maintains, the University collects Clery crime statistics of reports made to various campus security authorities, as defined in this report. The statistics reported in the following charts generally reflect the number of criminal incidents reported to the various campus security authorities. The statistics reported for the subcategories on liquor laws, drug laws, and weapons offenses represent the number of people arrested or referred to campus judicial authorities for respective violations, not the number of offenses documented.
Definitions of Reportable Crimes

Murder/Manslaughter – defined as the willful killing of one human being by another.

Negligent Manslaughter – defined as the killing of another person through gross negligence.

Rape – Penetration no matter how slight of the vagina or anus with any body part or object, or oral penetration by a sex organ of another person, without the consent of the victim.

Fondling – the touching of the private body parts of another person for the purpose of sexual gratification, without the consent of the victim, including instances where the victim is incapable of giving consent because of his/her age or because of his/her temporary or permanent mental or physical incapacity.

Incest – Non-forcible sexual intercourse between persons who are related to each other within the degrees wherein marriage is prohibited by law.

Statutory Rape – Non-forcible sexual intercourse with a person who is under the statutory age of consent.

Robbery – defined as taking or attempting to take anything of value from the car, custody, or control of a person or persons by force or threat of force or violence and/or by putting the victim in fear.

Aggravated Assault – defined as an unlawful attack by one person upon another for the purpose of inflicting severe or aggravated bodily injury. This type of assault usually is accompanied by the use of a weapon or by means likely to produce death or great bodily harm.

Burglary – unlawful entry of a structure to commit a felony or a theft.

Motor Vehicle Theft – theft or attempted theft of a motor vehicle.

Arson – any willful or malicious burning or attempt to burn, with or without intent to defraud, a dwelling house, public building, motor vehicle or aircraft, personal property of another, etc.

Domestic Violence – includes felony or misdemeanor crimes of violence committed by a current or former spouse of the victim, by a person with whom the victim shares a child in common, by the victim's cohabitant with or has cohabitated with the victim as a spouse, by a person similarly situated to a spouse of the victim under the domestic or family laws of the Commonwealth of Pennsylvania, or by any other person against an adult or youth victim who is protected from that person’s acts under the domestic or family violence laws of the jurisdiction. Domestic Violence is not defined by Pennsylvania state statute.

Dating Violence – Means violence committed by a person—(a) who is or has been in a social relationship of a romantic or intimate nature with the victim; and (b) where the existence of such a relationship will be determined by the reporting party's statement and based on a consideration of the following factors:

(i) The length of the relationship.
(ii) The type of relationship.
(iii) The frequency of interaction between the persons involved in the relationship.

Dating Violence is not defined by Pennsylvania state statute.

Stalking – Means engaging in a course of conduct directed at a specific person that would cause a reasonable person to—(a) fear for his or her safety or the safety of others; or (b) suffer substantial emotional distress. In Pennsylvania, a person commits the crime of stalking when the person either:

(1) engages in a course of conduct or repeatedly commits acts toward another person, including following the person without proper authority, under circumstances which demonstrate either an intent to place such other person in reasonable fear of bodily injury or to cause substantial emotional distress to such other person; or

(2) engages in a course of conduct or repeatedly communicates to another person under circumstances which demonstrate or communicate either an intent to place such other person in reasonable fear of bodily injury or to cause substantial emotional distress to such other person.

Hate Crimes – includes all of the crimes listed above that manifest evidence that the victim was intentionally selected because the perpetrator’s bias against the victim based on one of the Categories of Prejudice listed below, plus the following crimes.

Larceny/Theft – includes pocket picking, purse snatching, shoplifting, theft from building, theft from motor vehicle, theft of motor vehicle parts or accessories, and all other larceny.

Simple Assault – unlawful physical attack by one person upon another where neither the offender displays a weapon, nor the victim suffers obvious severe or aggravated bodily injury involving apparent broken bones, loss of teeth, possible internal injury, severe laceration or loss of consciousness.

Intimidation – to unlawfully place another person in reasonable fear of bodily harm through the use of threatening words and/or other conduct but without displaying a weapon or subjecting the victim to actual physical attack.

Destruction/Damage/Vandalism to Property (except Arson) – to willfully or maliciously destroy, damage, deface, or otherwise injure real or personal property without the consent of the owner of the person having custody or control of it.

Categories of Prejudice

Race – A preformed negative attitude toward a group of persons who possess common physical characteristics genetically transmitted by descent and heredity that distinguish them as a distinct division of humankind.

Gender – A preformed negative opinion or attitude toward a group of persons because those persons are male or female.

Religion – A preformed negative opinion or attitude toward a group of persons who share the same religious beliefs regarding the origin and purpose of the universe and the existence or nonexistence of a supreme being.

Sexual Orientation – A preformed negative opinion or attitude toward a group of persons based on their sexual attraction toward, and responsiveness to, members of their own sex or members of the opposite sex.

Ethnicity – A preformed negative opinion or attitude toward a group of persons who share common or similar traits, languages, customs, and traditions.

National Origin – A preformed negative opinion or attitude toward a group of persons of the same national origin who share common or similar traits.

Disability – A preformed negative opinion or attitude toward a group of persons based on their physical or mental impairments/ challenges, whether such disability is temporary or permanent, congenital or acquired by heredity, accident, injury, advanced age, or illness.

Gender Identity – A preformed negative opinion or attitude toward a group of persons because the perceived gender of those persons may be different from the gender traditionally associated with their gender at birth.
### Crime Statistics: Clery Data

The following annual security report provides crime statistics for selected crimes that have been reported to local police agencies or to campus security authorities. The statistics reported here generally reflect the number of criminal incidents reported to the various authorities. The statistics reported for the sub-categories on liquor laws, drug laws, and weapons offenses represented the number of people arrested or referred to campus judicial authorities for respective violations, not the number of offenses documented. This report complies with 20 U.S. Code Section 1092(f).

*Milton S. Hershey Medical Center

2014: Employees 8,940
Students 819

**RATE: Per 100,000 population. Population is calculated using full-time equivalent students, faculty, and staff.
**Reasonably contiguous buildings/property owned by Penn State or student organizations recognized by Penn State.
*( ) Indicates the number of incidents, if any, that are classified as hate crimes by the Hate Crimes Statistics Act (28 U.S.C. 534). Footnote: These statistics comply with the Pennsylvania Campus Security Act (PA Title 24 Section 2502.1 to -5) enacted May 1988.
(a) Aggravated Assault
Penn State College of Medicine offers the following types of housing for students on campus (the University does not operate any student housing off campus):

- **Manor West Apartments:**
  31 – four-bedroom furnished apartments for four single students, with shared living room, bathroom, and kitchen (used primarily for undergraduate students but also houses some single Medical and Graduate students as well as short-term tenants).

- **Manor East Apartments:**
  24 – one-bedroom, 208 – two-bedroom, and 16 – three-bedroom unfurnished apartment units for single students and/or students with families (used primarily by our Medical, Graduate, and Post-Graduate populations).

- **VIP apartment (located in Manor West):**
  1 – two-bedroom furnished apartment for guests on official University business.

**Policies on housing assignment and requests by students for assignment changes**

Students submit applications on-line, by mail, via facsimile, or in person at the Housing Office. On the application, the student indicates housing preferences, such as apartment type, requested date of occupancy, ADA requirements, and roommate preference. The Housing Office begins the process of assigning a room and/or apartment based upon the requested date of occupancy, date of application, and apartment type requested. A student interested in changing their preferences after the deadline may make a request; however, honoring that request is not guaranteed.

**Roommate Issues**

When the Housing Office becomes aware of a conflict between roommates, a meeting is scheduled with the students in question and the Housing Manager. The purpose of this meeting is to let the parties involved air their concerns and identify possible solutions with a neutral third party. In the vast majority of instances, this meeting ends with all stakeholders agreeing to an outcome that fairly addresses the core issue(s). In instances where no such compromise can be reached, the affected parties are split-up and reassigned.

**Emergencies**

In a true emergency situation, the Housing Manager is contacted and will initiate the relocation of the student(s) immediately.

**Policies concerning the identification and admission of visitors in student housing facilities**

The policy for guests is found in the Housing Lease Rules and Regulations, which the student agrees to when accepting a Housing Lease. The policy states:

**GUESTS**

Student apartments are intended for use by tenants of the building and their invited guests. A guest is defined as a person visiting a tenant in a student apartment at the tenant's invitation. Delivery persons are not considered to be guests for purposes of this policy.

The following stipulations relate to all guests:

1. It is the responsibility of the host student to ensure that their guests are aware of University and Student Housing policies. Guests are held responsible for their own actions and for knowledge of University and Student Housing policies. However, the hosts are held accountable for damages committed by their guests. Hosts are also held accountable for their guests' behavior.

2. Tenants in a shared apartment are permitted to have guests in their rooms only if there is no objection from their roommate(s).

3. Room keys will not be provided for guests. Tenants are not to give their keys to a guest in order for them to gain entrance to the apartment.

4. Students may have an overnight guest in their room for a maximum of seven consecutive nights. The University reserves the right to revoke this privilege. Guests may not move from one host's room to another in order to extend their stay in the apartment.

5. Only tenants and their invited guests are permitted in the tenant's apartment. Individuals found in the apartment who are not tenants or guests of the tenant are considered trespassing.

6. Campus Security and Housing Staff members will confront any individual if they are not recognized as a tenant and/or the tenant is not escorting them.

Students charged with violations of the guest regulation will be subject to University disciplinary action. An unescorted guest who is a student of the University shall be subject to University discipline.
(4) Measures to secure entrances to student housing facilities

All apartment entrances to student apartments are equipped with deadbolt locks and are to remain locked 24 hours a day. Only tenants of the apartment are granted access to the apartment. If a student does not have their keys, they are to proceed to the Housing Office during normal working hours where their identity will be verified and a temporary key issued. After normal working hours, they are to contact Security Post 2 to make arrangements for access to their apartment. Campus Security will meet the tenant at their apartment, verify their identity, and facilitate apartment access.

Housing Maintenance staff will check the security of apartment doors during the normal course of completing scheduled maintenance evolutions and work order requests. If an entry door is found unlocked, the Maintenance staff will immediately lock the door and a reminder to secure the premises is forwarded to the tenant.

(5) Standard security features used to secure doors and windows in students’ rooms

Doors

Apartment entry doors are equipped with lockable door handle and deadbolt. Student bedrooms doors feature a Stanley lock, locking mechanism that requires a key to open. Each student is issued a key with a unique code and a “Do Not Duplicate” stamp for the apartment entry door and their bedroom door. If the student reports a key is lost or stolen, the associated core is changed immediately, if an entry door—all occupants receive a new replacement key, if a bedroom door—only the affected student will receive a new key.

Windows

All apartment windows are lockable. During apartment turn-around, Maintenance Housing staff double-check that the locking mechanism is functioning properly and that all windows are locked. The actual locking mechanism varies between the Manor East and Manor West Student Housing complexes due to different window types, but essentially functions in the same manner.

(6) Type and number of, and description of security training provided to employees, including security personnel, assigned to the student housing facilities

The Security Department staff, in conjunction with Derry Township Police, provide security services to the student housing areas as part of their mission and responsibilities for the entire Penn State Milton S. Hershey Medical Center complex. No security officers are specifically assigned to Student Housing; however, the Penn State Hershey Department of Security consists of 20 Security Officers, 3 Senior Patrol Officers, one Supervisor, one Assistant Chief and one Chief. The patrol officers provide security assistance and patrol of the University Manor East and West complexes. All officers have training in all aspects of security work, safety protocols, CPR training and Psychiatric Emergency Assist Training.

Housing Staff

Housing staff with building access:

- Manager – 1
- Maintenance Supervisor – 1
- Technical Service Staff – 4
- Housing Office Staff – 2

Training Housing Staff:

Housing staff receive annual fire safety training and participate in operational testing of apartment fire alarm and sprinkler systems. Housing staff will report all suspicious activity and question strangers encountered within the Student Housing complexes. All security specific matters are turned over to the Security Department for investigation and action.

Other Access Groups

No other groups are permitted access to student apartment without an escort from the Housing Department.

(7) The type and frequency of programs designed to inform student housing residents about housing security and enforcement procedures

During student orientation, information about safety policies is reviewed (keeping entry and bedroom room doors locked, reporting lost keys, emergency contact numbers, escort program).

In the Rules and Regulations Section of each Tenant’s Lease, they are reminded of their role in maintaining the safety and security of the housing complex in which they live. Specifically, they are encouraged to refrain from behaviors that may compromise their safety or security (i.e. leaving door propped open or unlocked, leaving windows open or unlocked) or that of their roommate, if applicable. Tenants are also encouraged to immediately report all suspicious activity or unauthorized personnel encountered.

Upon arrival, each tenant is provided with written instructions describing emergency equipment, procedures, and contact information to be used in the event of an emergency. Periodic reminders are emailed to students/tenants reminding them of these policies/obligations.
(8) Policy and any special security procedures for housing students during low-occupancy periods such as holidays and vacation periods

Undergraduate Students have three (3) official closedown periods during the academic year: fall break, winter break, and spring break. During the winter break, all undergraduate students are required to vacate their apartments. These tenants are provided instructions on what to do before leaving for the break (heat settings, closing/locking windows, securing belongings, locking room, returning their keys to the Housing Office). During this period, Housing Maintenance staff inspects the apartments and completes work orders in the undergraduate apartments. Undergraduate Student Housing is also co-located with the Housing Office. Both Housing Office Staff and Maintenance Staff patrol during this period of time to insure safety and security of the undergraduate complex.

Postgraduate students are located in family-style apartment and are not required to vacate their apartment until they graduate. Housing Maintenance Staff are instructed to be alert and immediately report and suspicious activity within the complex. They are also instructed to challenge and request identification of all strangers they meet within the complex.

(9) Policy on the housing of guests and others not assigned to the student housing or not regularly associated with the institution of higher education

The policy for overnight guests in student apartments is addressed in Section (3) “Policies concerning the identification and admission of visitors in student housing facilities” of the tenant lease.

Non-students may reside on-campus only with prior approval of the Dean's Office. The length of their stay is restricted to the time required to complete their official business with the University. During their stay, they are subject to the same Rules and Regulations as the rest of the student population.

(10) Number of undergraduate and graduate students living in student housing

Occupancy can fluctuate throughout the academic year. In the fall semester, occupancy averages around 98%. Occupancy typically decreases in the spring semester, as tenants' complete off-campus rotations, grants expire, and students graduate, with an average of 90%.

Annual Fire Safety Report

The Higher Education Opportunity Act enacted on August 14, 2008, requires institutions that maintain on-campus student housing facilities to publish an annual fire safety report that contains information about campus fire safety practices and standards of the institution. The following report details all information required by this act for the Penn State Hershey campus of The Pennsylvania State University.

Definitions
The following terms are used within this report. Definitions have been obtained from the Higher Education Opportunity Act.

On-Campus Student Housing – A student housing facility that is owned or controlled by the institution, or is located on property that is owned or controlled by the institution, and is within a reasonable contiguous area that makes up the campus.

Fire – Any instance of open flame or other burning in a place not intended to contain the burning or in an uncontrolled manner.

Fire Safety
Penn State takes fire safety very seriously and continues to enhance its programs to the University community through education, engineering, and enforcement. Educational programs are presented throughout the year to faculty, staff, and students so they are aware of the rules and safe practices. These programs, which are available at all campuses include identification and prevention of fire hazards, actual building evacuation procedures and drills, specific occupant response to fire emergencies, and hands-on use of fire extinguishers.

Penn State has been a leader in ensuring the safety of students, faculty, staff, and visitors who live and work in University-operated residences. Automatic sprinkler systems and fire alarm systems are recognized engineered building features that help to provide for a fire-safe living environment. All University-operated residence halls and apartments are provided with automatic sprinkler systems, smoke detectors, and building fire alarm systems to provide early detection and warning of a possible fire emergency.

The Penn State Hershey Housing office maintains and tests all fire alarms and automatic fire suppression systems to ensure system readiness and proper operation in the event of a fire emergency.

The Penn State Hershey Campus of the Pennsylvania State University has adopted and developed numerous Safety Policies and Guidelines to help promote a safe living and work environment at all campus. These policies, guidelines, and other fire safety information can be obtained from the Penn State Hershey Housing office or the website at http://www.pennstatehershey.org/web/housing/home/tenants/policies.

Additional protection is provided by Penn State Hershey Security officers who are trained for initial response to fire incidents occurring at Penn State Hershey facilities. Officers provide assistance in building evacuation and extinguishment and confinement of small fires.

## Prohibitions on Portable Electrical Appliances, Smoking, and Open Flames

All on-campus housing facilities prohibit the following activities and items.

1. Smoking is prohibited on campus, except in individual apartments.
2. The presence or use of candles, incense burners, oil lamps, and other open-flame device is not permitted in on-campus housing facilities.
3. The presence or use of torchiere halogen floor lamps is not permitted in any building.
4. Individuals shall not obstruct or tamper with fire safety equipment (e.g., sprinklers, fire alarms, fire extinguishers).
5. The possession or use of fireworks is not permitted.
6. Occupant-provided appliances are not permitted in on-campus housing facilities.

Additional information about apartment living and policies is available at [http://www.pennstatehershey.org/web/housing/home/tenants/policies](http://www.pennstatehershey.org/web/housing/home/tenants/policies).

## Emergency Procedures

The Penn State College of Medicine Housing provide tenants with emergency procedures as follows:

If you discover a fire – R.A.C.E. is required:

1. Rescue persons in immediate danger to safety. Warn others who are close to the fire.
2. Alarm by pulling the nearest pull box and dialing the fire emergency phone number (8888). Give as much information to the call taker about the emergency and the exact type and location of the emergency.
3. Confine the fire and smoke by closing all doors and windows. Do not lock closed doors. Do not turn off lights.
4. Extinguish/Evacuate—If you have been trained and can do so safely, you may use the fire extinguisher to extinguish the fire. If not, evacuate the apartment.

Evacuation from the building:

1. Upon activation of the fire alarm system, everyone shall immediately leave the building.
2. Feel the door. If it is hot, do not open it.
3. If the door is cool, crouch low and open the door slowly. Close the door quickly if smoke is present.
4. If the hallway is smoke-free or there is a light smoke condition, proceed to the nearest exit. If a light smoke condition is present stay below the smoke (crouch or crawl).
5. Leave the building and meet at your designated evacuation meeting site.
6. Never use elevators during a fire evacuation.

If you are trapped in your room:

1. Place material (e.g., clothing, rug) at base of door to prevent smoke from entering the room.
2. Open your window, wave a piece of material and yell to attract the attention of people outside.
3. Call 8888 and report your location.
4. Stay low; breathe fresh air near the windows.
5. Await rescue.
Fire Safety Rules and Regulations for Tenants
The Penn State College of Medicine Housing Office provides apartment regulations to tenants. Some of the topics include:
1. Emergency numbers and procedures
2. Candles and other open-flame devices
3. Fire alarm systems and reporting
4. Fireworks and firearms
5. Gas grills
6. Halogen lamps
Additional tenant information is available at:
http://pennstatehershey.org/web/housing/home/tenants/policies

Fire Incident Reporting
To report a fire or medical emergency, tenants shall immediately call 8888 from a safe location.

Immediate notification for a non-emergency incident (e.g., fire is out, evidence that something burned, attempted intentional burning of material) shall be made to:

Plans for Future Improvements in Fire Safety
Penn State College of Medicine continues to monitor trends related to residence hall fire incidents and alarms to provide a fire-safe living environment for all students. New programs and policies are developed as needed to help ensure the safety of all students, faculty, and staff.

PSUAlert

PSUAlert is the name of Pennsylvania State University’s mass notification service. This system allows the university to send text messages, voice mails, and e-mails to the campus community concerning weather-related school closings, delays, and other emergencies. The service is available to all employees and students of Penn State. The university does not charge for the service, however there may be a fee charged based on your phone plan. To register, go to http://psualert.psu.edu and follow the instructions.

Register to Vote

All students are urged to register to vote in local, state, and national elections. Go to http://www.pikepa.org/election/dl/pa_voter_registration.pdf for a printable Voter Registration Application. Note that Adobe Acrobat must be loaded to view the Voter Registration Application.
